

PROFESSIONAL MAKEUP KIT CHECKLIST

- **MOISTURIZER** - Hydrate her skin to improve appearance of skin texture and tone.
- **FOUNDATION** - Liquid or airbrush that gives the most "natural" finishes.
- **PRIMER** - Helps makeup stay put from first looks to evening reception.
- **CONCEALER** - Hide pimples, dark spots & cover under eye circles from rehearsal dinner.
- **MAKEUP SPONGE** - Game changer! Her skin will look like those flawless Instagram filters!
- **BLUSH &**
- **BRONZER** - Delivers a natural looking flush of color with the perfect bridal bronze 'glow'.
- **MASCARA** - An absolute necessity in your makeup kit! (Don't forget those spoolies)
- **EYELINER** - Defines eyes and makes them "POP" (opt for Dk. Brown)
- **EYE SHADOW PALETTE** - Aim for a natural eye look, combining shimmery champagne and soft pinks & matte browns.
- **LIPSTICK** - The finishing touch to the makeup look. The 4 must have shades are: nude, brown, pink, red.
- **HIGHLIGHTER** - Gives that lit-from-within glow every Bride wants!
- **SETTING SPRAY** - Put makeup in it's place. Spray after makeup application for a flawless finish!
